

## Elevated Travel Risk Approval Request – Group or Program

Columbia University’s [International Travel Planning Policy](#) mandates that Students, Officers of Administration and Support Staff travelling on University-related travel abroad complete a tiered review and approval process based upon the highest [ISOS Travel Risk Rating](#) associated with their travel location(s).

Travel to “Medium” Travel Risk locations require [ISOS Itinerary Review](#); travel to “High” Travel Risk locations requires ISOS Itinerary Review and dean approval from the school where the student is registered; and travel to “Extreme” Travel Risk locations requires ISOS Itinerary Review, dean approval and, for Morningside affiliates, Provost approval, and for CUIMC affiliates, EVP and Dean of the Faculties of Health Sciences and Medicine approval.

Travel to countries with the Evacuation Status of Stand-By, Evacuate Non-Essential Staff, or Full Evacuation require for Morningside affiliates, Provost approval, and for CUIMC affiliates, EVP and Dean of the Faculties of Health Sciences and Medicine approval
